Multi-Sport Summer Camp

Program Details

Note: All activities will take place outside unless it rains.

- Speed / Agility
- Basketball
- Flag Football/ 2 touch football
- Soccer
- Dodgeball
- Kickball
- Races & Competitions
- Skill games and more...
- (other games and contests may also be included by age)

Speed & Agility:The program will include instructional training, athletic movements, strengthening exercises, and a focus on core: speed, acceleration and agility through fun obstacles, movements, and competitions. This will enhance their conditioning and get them ready for game play.

Basketball: The program will include a focus on building the basketball fundamentals, footwork, movement, and skill challenges. We will focus on core elements such as shooting, dribbling, defense, and passing. All kids will be on teams and play games. We want them have fun, learn, and compete throughout the camp.

Flag Football/ 2 touch football:Skills, Drills, and Games: Flag Football / 1 Touch - The program will offer some of the basic football movements. All players will get to compete in competitions for accuracy, distance, and skills. There will be games with teams being divided by levels and ability. The goal is for the kids to have fun and learn at the same time.

Soccer: Skills competitions, ball control games, shootouts, and more!

Dodgeball - Dip, Dodge, Duck & Dive! Fun and Competitive. Everyone gets to throw.
and more... (other games and contests may also be included by age)

The number of enrolled campers will help dictate the stations and the number of activities.
